

South Monmouth Regional Sewerage Authority

Employment Opportunity 2/2024

The South Monmouth Regional Sewerage Authority is currently seeking to fill multiple position(s) in its Support Services Division.

Under the general direction of the Superintendent of Maintenance, these positions are tasked with maintenance and repair of the SMRSA wastewater treatment plant and collection system equipment. Examples of work include but are not limited to inspections & maintenance or repair of the wastewater treatment plant and sewer collection system equipment, maintenance of buildings and grounds, and vehicle maintenance and repair. The successful candidate must have or be capable of obtaining a Class B CDL with tanker endorsement in (1) year.

This position is covered by a collective bargaining agreement with a structured program for advancement which includes a comprehensive benefits package offering paid vacation, sick leave, personal time, holidays, health benefits, and participation in the New Jersey Public Employees Retirement System.

To obtain and complete an employment application, please visit www.smrsa.org/employment-opportunities/. Applications and resumes may be mailed to admin@smrsa.org or mailed to South Monmouth Regional Sewerage Authority, 1235 18th Avenue, Belmar NJ 07719.
